Attention Business Editors:

Calfrac Holdings closes private placement of Senior Notes

CALGARY, Feb. 13 /CNW/ - Calfrac Well Services Ltd. ("Calfrac") (TSX-CFW) announced today that Calfrac Holdings LP ("Calfrac Holdings"), a Delaware limited partnership which is indirectly wholly owned by Calfrac, has closed a private offering of US\$135.0 million aggregate principal amount of 7.75% Senior Notes due 2015. Fixed interest on the notes will be payable on February 15 and August 15 of each year beginning on August 15, 2007. The notes will mature on February 15, 2015.

The net proceeds from this offering will be used to repay the indebtedness under our existing credit facilities, to partially fund our 2007 capital expenditure program and for general corporate purposes.

The notes have been offered to qualified institutional buyers in accordance with Rule 144A under the United States Securities Act of 1933, and outside the United States to persons other than U.S. persons, in reliance on Regulation S under the Act. The offer and sale of the notes will not be registered under the Securities Act of 1933, and the notes may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act of 1933 and applicable state securities laws.

This announcement does not constitute an offer to sell, or the solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Calfrac's common shares are publicly traded on the Toronto Stock Exchange under the trading symbol "CFW". Calfrac provides specialized oilfield services to exploration and production companies designed to increase the production of hydrocarbons from wells drilled throughout western Canada, the United States and western Siberia in Russia.

The information in this news release contains certain forward-looking statements that involve substantial known and unknown risks and uncertainties, certain of which are beyond Calfrac's control, including the impact of general economic conditions, industry conditions, and fluctuations in commodity prices and foreign exchange rates. Calfrac's actual results, performance or achievement could differ materially from those expressed in, or implied by, such forward-looking statements and, accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do, what benefits Calfrac will derive from them.
